NOTICE OF PREVAILING WAGE SURVEY DATED APRIL 4, 2011 – JUNE 3, 2011

Please be advised that the Minnesota Department of Labor and Industry is currently surveying wage rates paid on Commercial, Highway/Heavy, and Residential construction projects in all 87 counties to determine prevailing wage rates. The survey of Residential construction projects is recent since the 2010 annual construction survey. Please use the attached form or submit your surveys online.

The department requests that all interested parties submit reports of hourly wage rates paid on projects performed during the past twelve months. If unable to submit surveys online, return the completed Survey Form only.

To be included in this survey, all reports or projects must be returned within **60 days**, by close of business June **3**, **2011**. Should you need assistance with the form, please call (651) 284-5091. Failure to submit a report means that you do not participate in establishing the prevailing wage rate in your area.

Please read the directions on reverse side of Survey Form carefully.

IMPORTANT! DO NOT USE FORMS FROM PREVIOUS YEARS.

- Review classification titles for correct reporting. For equipment operators, use the classification code under the Highway/Heavy list 302 397 **or** for Commercial or Residential 501 550.
- You may report a worker more than once; however, only once per project.
- Employees reported on the survey must have worked at least 8 hours on the project reported.
- Highway/Heavy projects may only be reported if the cost of the project is \$25,000 or more.
- Commercial projects may only be reported if the cost of the project is \$2,500 or more. Commercial construction includes apartment complexes and residential structures of three units or more.
- **Residential projects** may only be reported if the cost of the project is \$2,500 or more. Residential construction applies to single family and two family homes.
- A separate form is required for each project reported. You may copy the form or **SAVE TIME AND PAPER** by completing the survey electronically.

SAVE TIME AND PAPER - Complete the survey online! Visit http://www.dli.mn.gov/LS/PrevWageSurvey.asp for more information.

FOR ASSISTANCE WITH FORMS - CALL (651) 284-5091

In determining prevailing rates, employees can be counted more than once, however only once per project. Use a separate form for each project. You may copy the form for your use. Report construction performed in the previous twelve months only. You may report either public or private projects. Do not report owners, foreman, supervisors, apprentices, or helpers. INSTRUCTIONS

- For each project reported, indicate its location by Street Address, CITY AND COUNTY and give a brief description of the work performed.
- Project description (check one).
- Enter approximate cost of the project.

 PLEASE PRINT OR TYPE the name of all the employees who worked on the project. Employees reported on Commercial, Residential, or Highway/Heavy projects must have worked at least 8 hours on the project.
- From the Master Job Classification listed below, select the class of labor in which the employee worked the greatest number of hours on the project.

or roller

Conveyor

Dredge deck hand

Greaser (tractor) Lever person

Fire person or tank car heater

Cat, challenger, or similar type of tractors, when pulling disk

Gravel screening plant (portable not crushing or washing)

CODE N	Ю.	POSITION TITLE	С
	394	Oiler (power shovel, crane, truck crane, dragline, crushers,	
	395	and milling machines, or other similar heavy equipment) Power Sweeper	
	396	Sheep foot roller and rollers on gravel compaction, including	
	207	vibrating rollers	
Group 1	397	Tractor, wheel type, over 50 h.p., unrelated to landscaping Commercial Power Equipment Operators	
·	501	Helicopter pilot (commercial only - highway & heavy see	
	502	302) Tower crane 250 feet and over (commercial only)	
	503	Truck crawler crane with 200 feet of boom and over,	
Croup 2	504	including jib (commercial only)	
Group 2	504 505	Concrete pump with 50 meters/164 feet of boom and over Pile driving when three drums in use	
	506	Tower crane 200 feet and over	
	507	Truck or crawler crane with 150 feet of boom up to and not including 200 feet, including jib (commercial only)	
Group 3	508	All-terrain vehicle cranes (commercial only)	
	509 510	Concrete pump 32-49 meters/102-164 feet Derrick (guy & stiffleg)	
	511	Stationary tower crane 200 feet and over measured from	
	E10	boom foot pin (commercial only) Self-erecting tower crane 100 feet and over measured from	
	512	boom foot pin (commercial only)	
	513	Traveling tower crane (commercial only)	
	514	Truck or crawler crane up to and not including 150 feet of boom, including jib	
Group 4	515	Crawler backhoe including attachments (commercial only –	
	516	highway & heavy see 305 and 313) Fireperson, chief boiler license	
	517	Hoist engineer (three drums or more)	
	518 519	Locomotive Overhead crane (inside building perimeter) (commercial	
		only)	
Group 5	520 521	Tractor – boom type Air compressor 450 CFM or over (two or more machines)	
	522	Concrete mixer	
	523 524	Concrete pump up to 31 meters/101 feet of boom Drill rigs, heavy rotary or churn or cable drill when used for	
		caisson for elevator or building construction	
	525 526	Forklift Front end, posi-track, and skid steer type loaders one cubic	
	320	yard and over, including attachments (commercial only –	
	527	highway & heavy see 344) Hoist engineer (one or two drums)	
	528	Mechanic-welder (on power equipment)	
	529	Power plant (100 KW and over or multiples equal to 100KW	
	530	and over) Pump operator and/or conveyor (two or more machines)	
	531	Self-erecting tower crane under 100 feet measured from	
	532	boom foot pin Straddle carrier	
		Tractor over D2	
Group 6		Well point pump Concrete batch plant	
	536	Fireperson, first class boiler license	
	537	Front end, posi-track, and skid steer type loaders up to one cubic yard, including attachments (commercial only –	
	500	highway & heavy see 373)	
	538 539	Gunite machine Tractor operator D2 or similar size	
	540	Trenching machine (sewer, water, gas) excludes walk	
		behind trencher (commercial only – highway & heavy see 366)	
Group 7		Air compressor 600 CFM or over	
	542 543	Brakeperson Concrete pump/pumpcrete or complaco type	
	544	Fireperson, temporary heat second class boiler license	
	545	Oiler (power shovel, crane, truck crane, dragline, crushers and milling machines, or other similar power equipment)	
	546	Pick up sweeper (one cubic yard hopper capacity)	
Group 8	547 548	Pump and/or conveyor Elevator operator	
	549	Greaser	
	550	Mechanical space heater (temporary heat no boiler license required)	
		Truck Drivers	
Group 1	601 602	Mechanic – welder Tractor trailer driver	
	603	Truck driver (hauling machinery including operation of hand	
Group 2	604	and power operated winches) Four or more axle unit, straight body truck	
Group 3		Bituminous distributor driver	
	606 607	Bituminous distributor (one person operation) Three axle units	
Group 4		Bituminous distributor spray operator (rear and oiler)	
	609 610	Dump person Greaser	
	611	Pilot car driver	
	612 613	Rubber-tired, self-propelled packer under 8 tons Two axle unit	
	613 614	Slurry operator	
	615	Tank truck helper (gas, oil, road oil, and water)	
	616	Tractor operator, under 50 h.p. Special Crafts	
	701	Heating and frost insulators	
	702 703	Boilermakers Bricklayers	
	704	Carpenters	
	705 706	Carpet Layers (Linoleum) Cement Masons
